FACULTY

Thus We Dedicate . . .

For 17 years, Mr. John Lalley has diligently served Central as a teacher, coach, Executive Assistant to the Principal, and friend to the students. During this time, Mr. Lalley left a deep impression upon the school and the people he knew.

Although a summons out of class to Mr. Lalley's office often brought a certain amount of fear, no student can forget Mr. Lalley's warmth and sincere concern. He always displayed enthusiasm and a strong feeling of pride in the school.

Thus, we dedicate this yearbook to Mr. John Lalley, the personification of Central pride.

MR. HELFER

We Welcome "Doctor K."

Twenty-eight years ago, Joseph Kazlauskas graduated from Central. His following years were dedicated to education as a college student, teacher, supervisor, administrator, and even teacher in the military service. We welcome him back to his old alma mater.

Key Club

202: Code Name — Organized Chaos

Opening the door to 202 during homeroom period sends a shock wave rattling through the building. The teachers only shrug and say "It's just the PAN ANNUAL. They're at it again."

Pandemonium aside, the PANORAMA ANNUAL works from September to April producing a yearbook. (Some teachers claim we are plotting to overthrow the government of Upper Sxychaczjaulam; others claim we are building the first Bromine Bomb; actually we're crossing fruit flies with grapefruits.) The Yearbook, under the leadership of Bob "Mad Scientist" Henry, the brain of the organization, and Rita "Mata Hari" Chirumbolo, the body of the organization, endeavors to capture all the exciting and absurd moments of a school year. Mr. Abraham Bernstein attempts to check the plot of the conniving staff and guide them on to fruition. This year, with the theme of "PRIDE," the PAN ANNUAL promises an unbelievable yearbook. Next year — the book will "self-destruct in five seconds."

The *Panorama* Newspaper is one club that works continually from beginning to end of each term. Publishing eight newspapers a year requires planning, co-operation and hard work. The news, feature, advertising, photography, art and sports staffs constitute a total of some fifty students from all grades.

Compiling a newspaper is no easy job. Nor is it a one-man job. Guided by a board of fourteen editors and advisor, Miss Mary Holleran, the *Panorama* depends upon its reporters for success.

The paper provides a place for students and teachers to express their ideas and opinions in the letters to the Editor column. Also, the paper provides, not only news of school and community events, but entertains readers with the Pa Central column and photo features. The newspaper is arduous but rewarding work.

Each year, Debate Club plans discussions on the national debate topic and other topics of interest. With the help of its advisor, Mr. Glasgow, and its officers, the members write speeches to be used in formal debate. This year, the club is sponsoring an Interscholastic Debate Tournament.

Chess Club, advised by Mr. Kent, has as its officers: Nick Paciocco, president; Nick Seketa, vice-president; Diane Wahl, secretary; Richard Levine, treasurer; and Clayton Lucovich, G.O. representative. The objective of this club is to develop skill in playing chess, thus intensifying the concentration and logical reasoning of its members.

Varsity Basketball

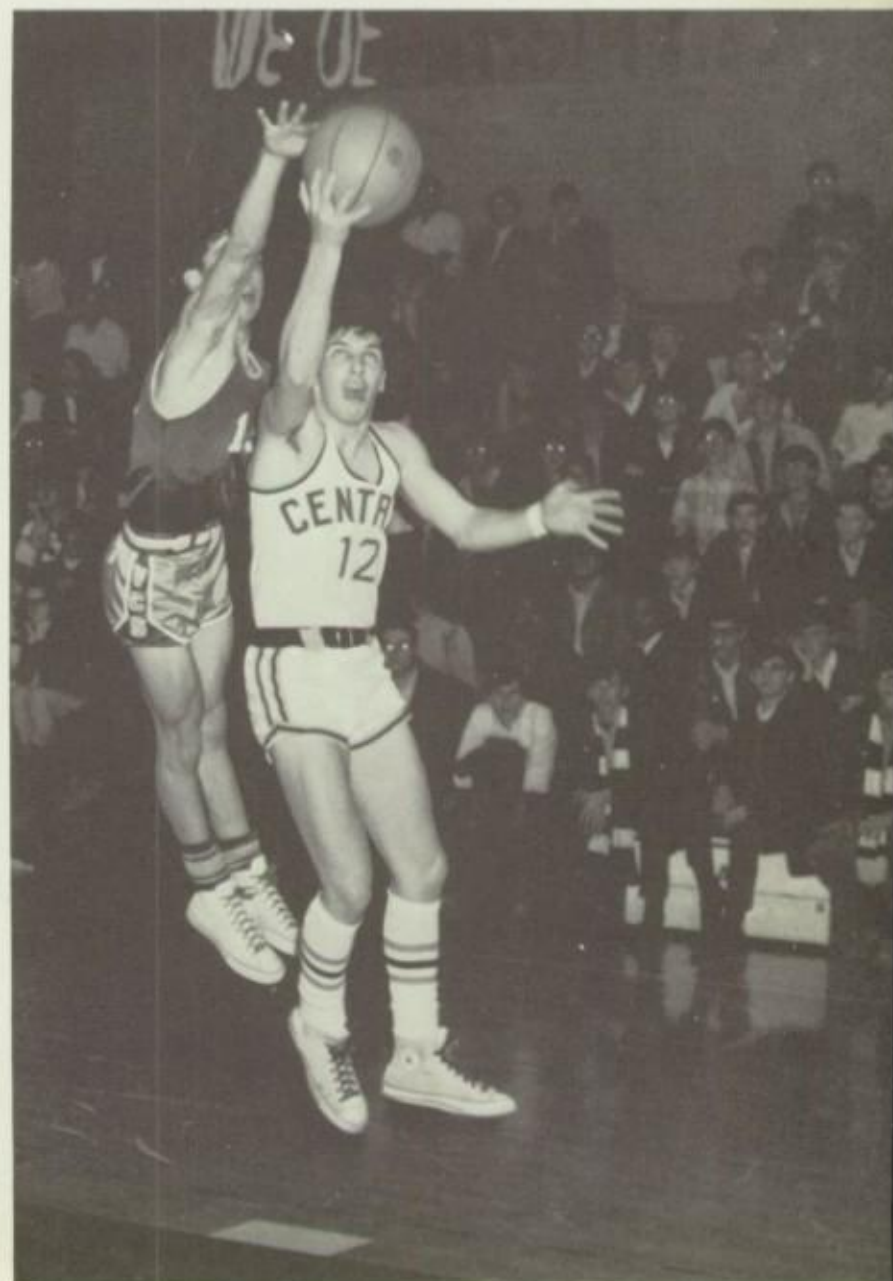

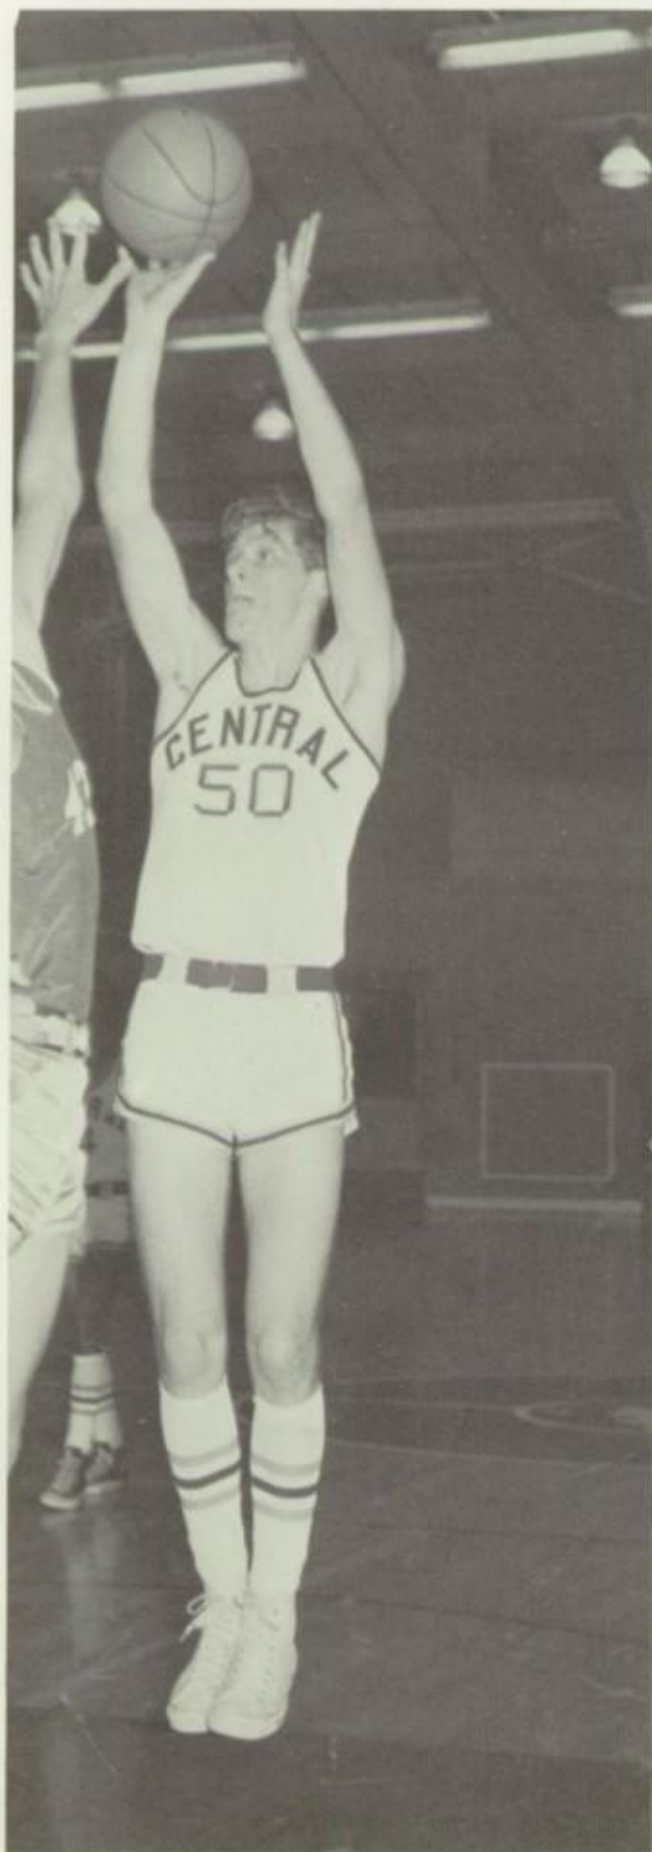

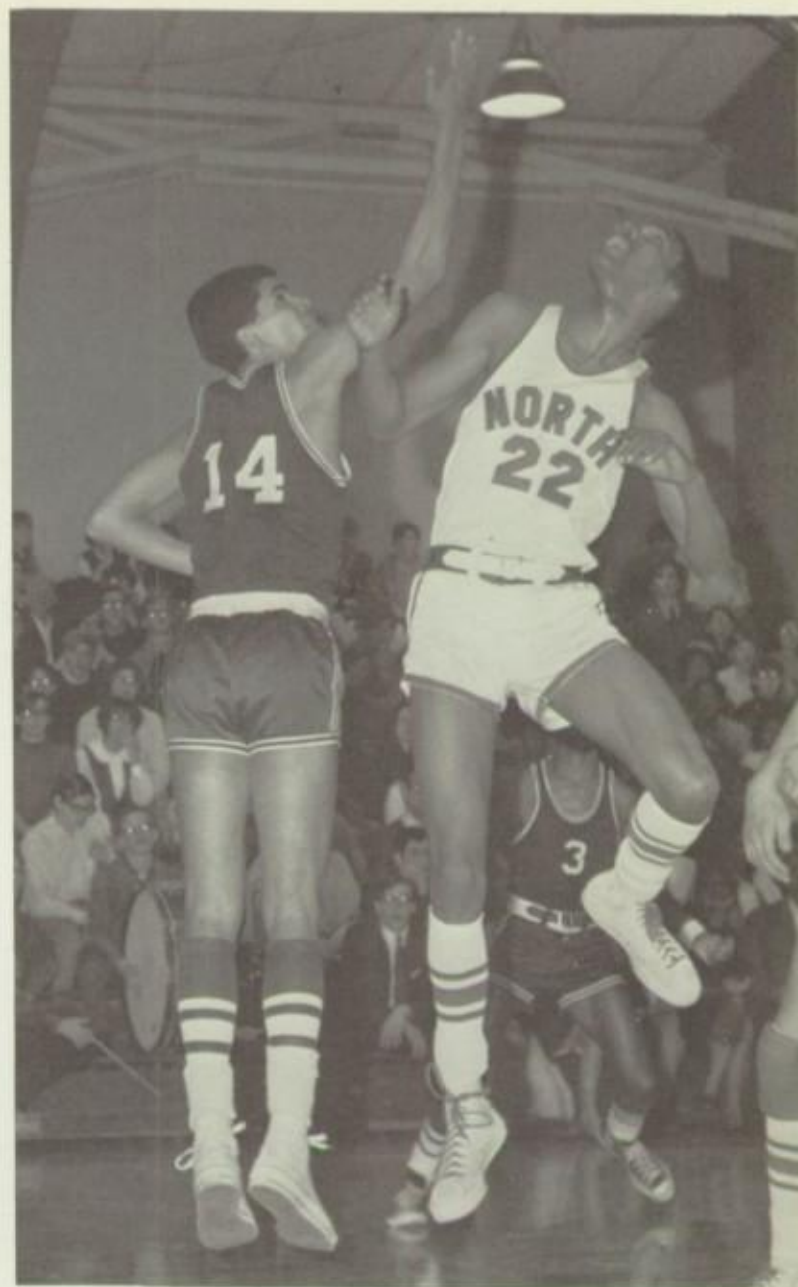

After a slow start, Central showed Binghamton who the best team was. Bruce Field's excellent shooting, Dave Tita's outstanding rebounding, Gary Gerdus's excellent ball-handling ability, Jerry Davis's dribbling and outside shooting, and Henry Shuford's one-handers continually led Central to victory. We also cannot forget Bob Zurenda and Tom Whipple, who showed how dependable our bench was. Although Bruce Fields was our only senior, our young team proved that Central is tops in this area. We hope next year's team will be better, although being better than this year's team will be hard.

This year, the highspirited Bullpups had a strenuous and exciting season. Central's Junior Varsity basketball team was a young, strong, hard working group. The starting five was Ron Mitchell, Bernie Putano, Tom Feeko, Bill Kaschak, and Scott Smith. Due to an injury, Tom Feeko was replaced by a newcomer, George Solyak. Unfortunately, the record does not reflect the great team effort put forth.

Central's Swim Team, consisting of about 25 members, is under the direction of Coach Roger Wright. The boys practice every day during lunch hour and after school. They are a hard working team and have shown promising qualities this past season. It is a young team and we can look forward to seeing most of these boys next year. They did a great job and we're proud of them.

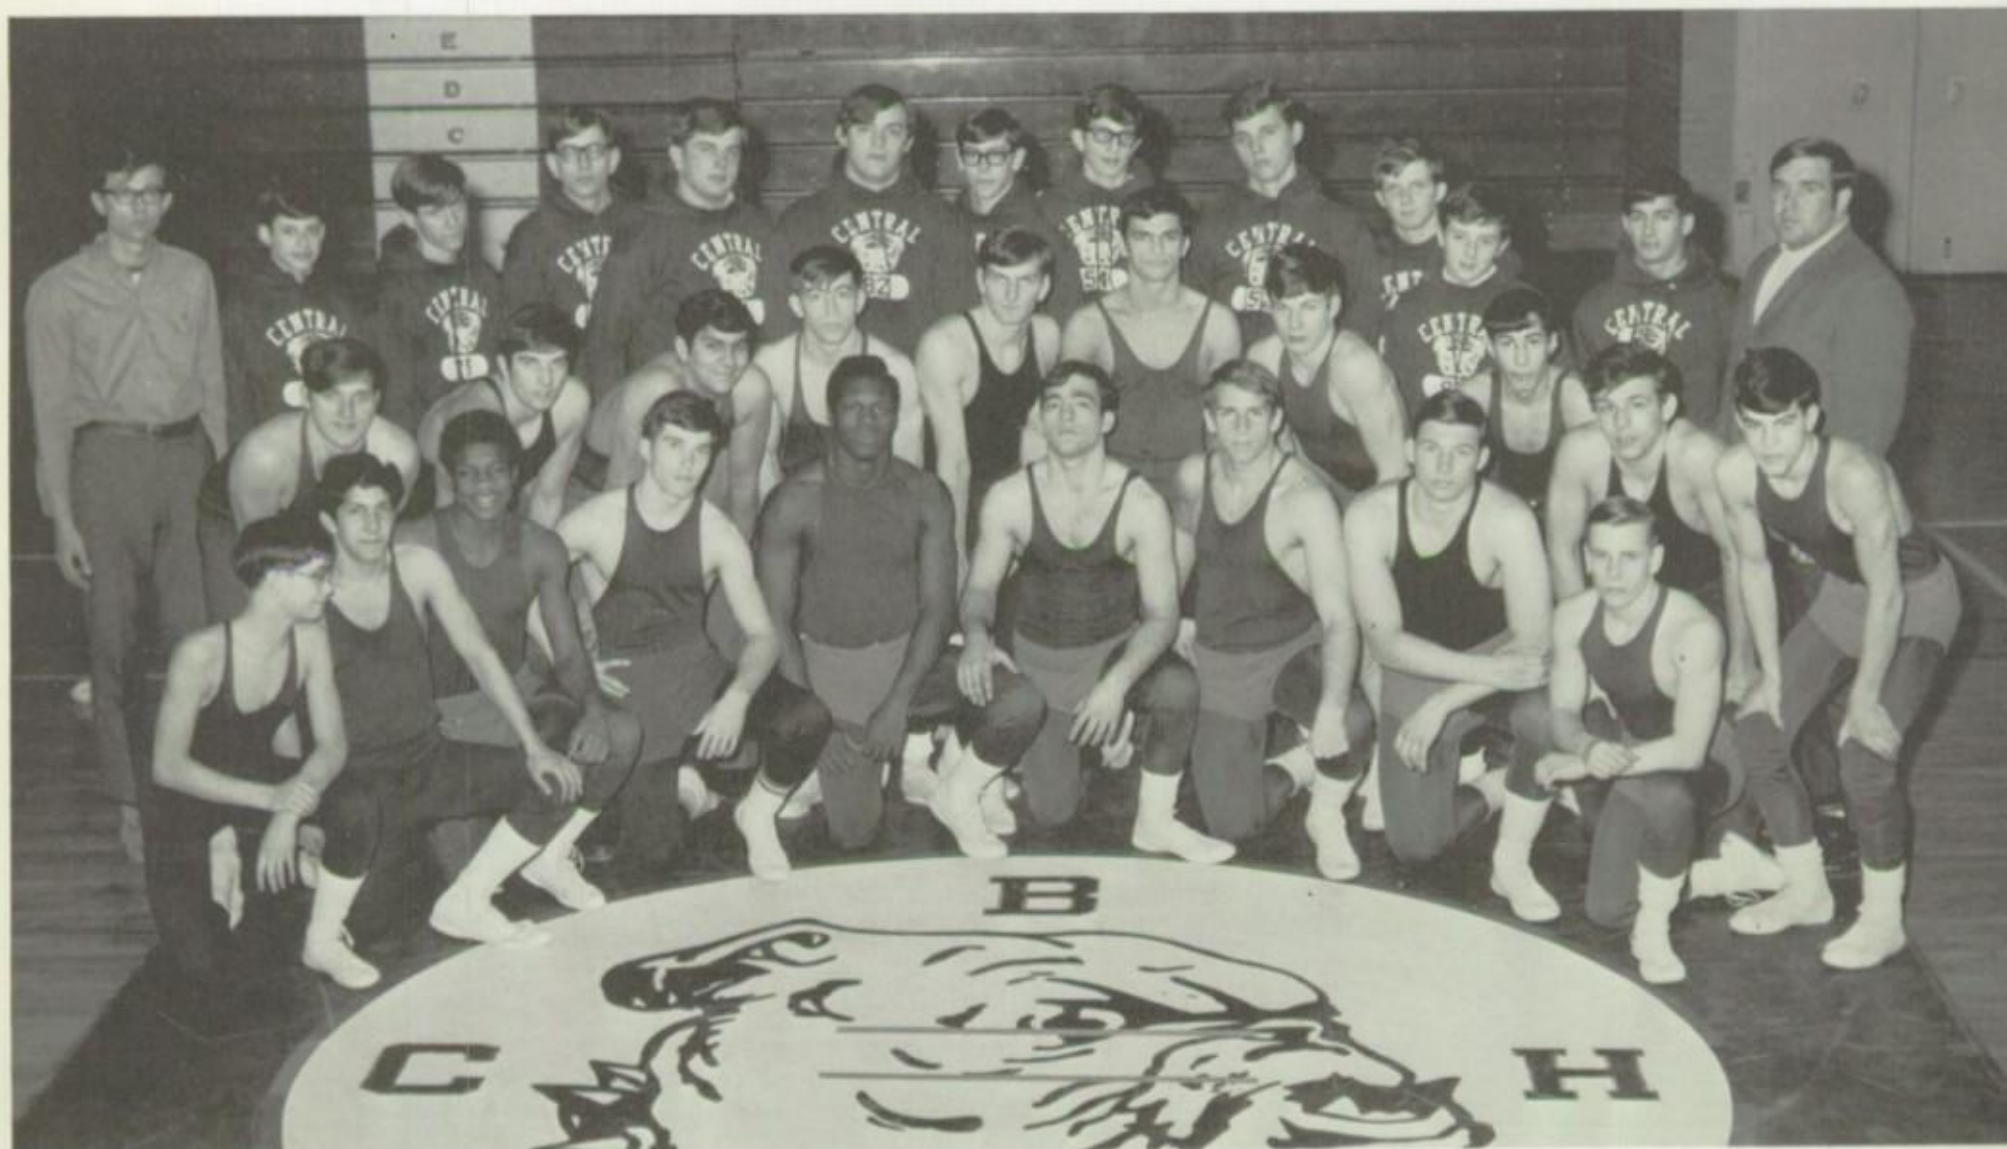

Central Wrestling was in a building stage this year since the team was basically sophomores and juniors. Led by Mr. Childs, the team worked out everyday after school and sometimes on weekends and vacations. The climax of this season came with a decisive victory over North High.

Every Sunday morning for 5 weeks, some 40 ski enthusiasts were up bright and early to board the bus before 7:30. Arriving at Greek Peak, everyone trudges up a hill where most of the kids take lessons to improve their style. Then the whole day is spent skiing or attempting to ski. Occasionally, one might glimpse Coach Nezelek coming down, or see Coach Childs on the bunny slope; or maybe Joe Restino, President of Ski Club, may whiz past doing the cha-cha down the expert trail. But everyone joins in the fun and soon snow bunnies become good skiers. Then, at the closing of the day, the tired group boards the bus and as the last ski is put in place, contented cries are heard . . . Did you see that wipe-out I made? . . . ya — she broke her ski . . . wow! didn't Harry look gorgeous today?! . . . Oh, I love skiing, don't you?

White Face Mountain

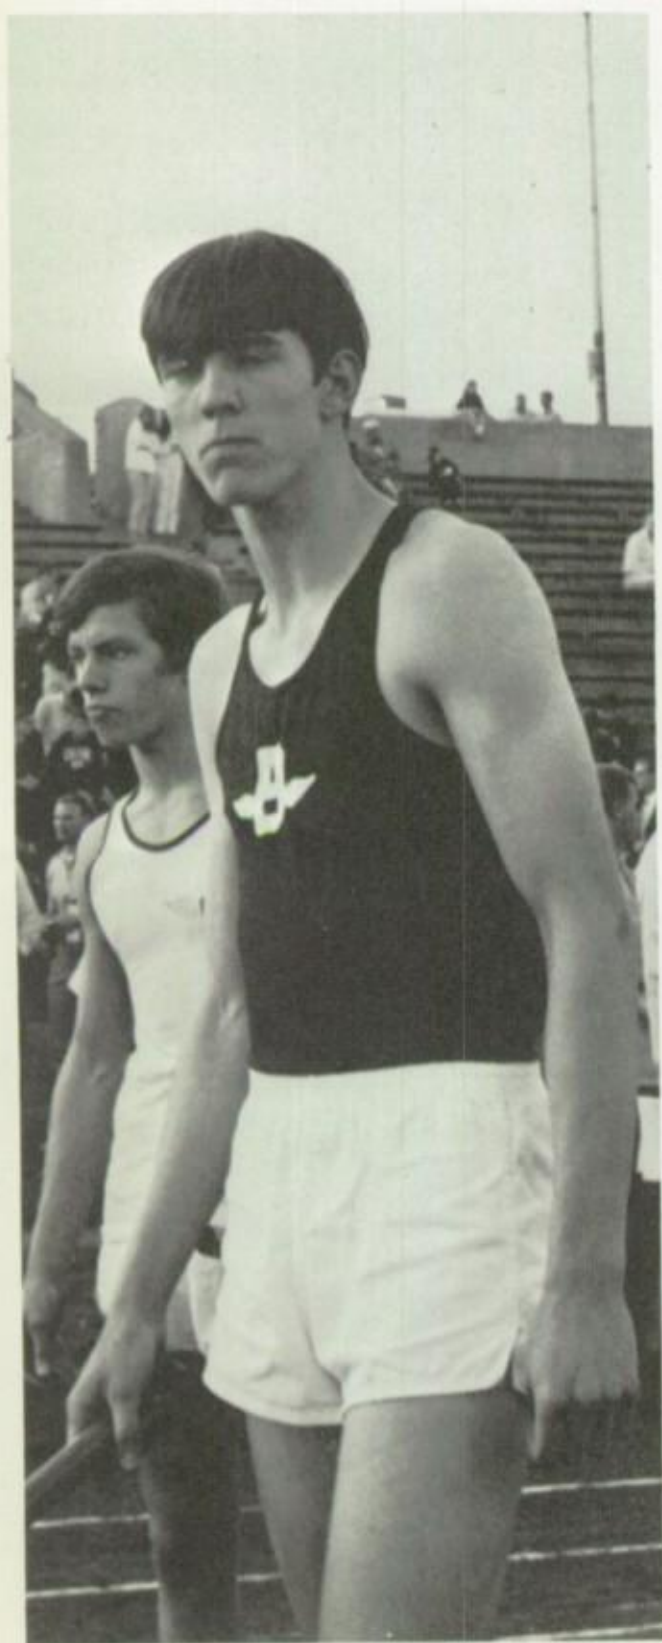

On February 14, at 3:30, 31 adventurous skiers left for White Face Mountain for a weekend of fun in the snow. The Centralites were on the slopes every possible moment, and the skiing was great. They returned home on the 16th, exhausted, but happy. What about next year? Maybe the Alps.

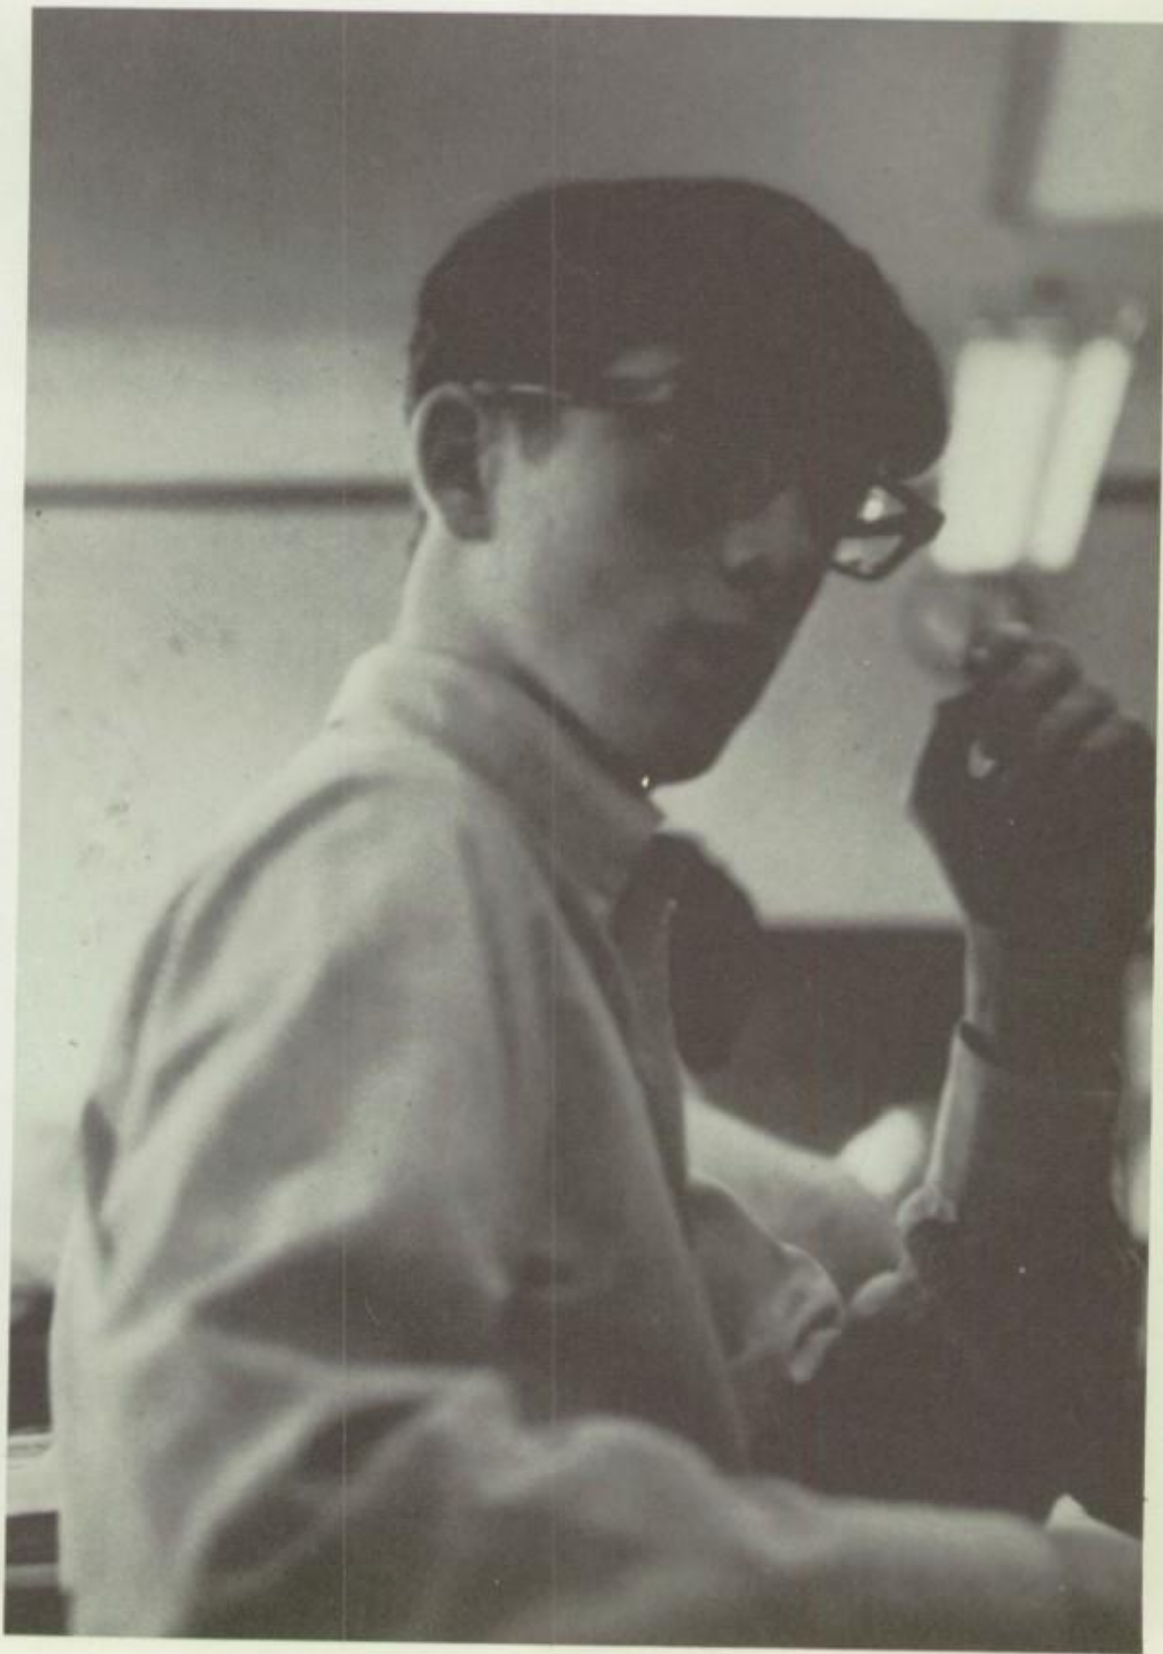

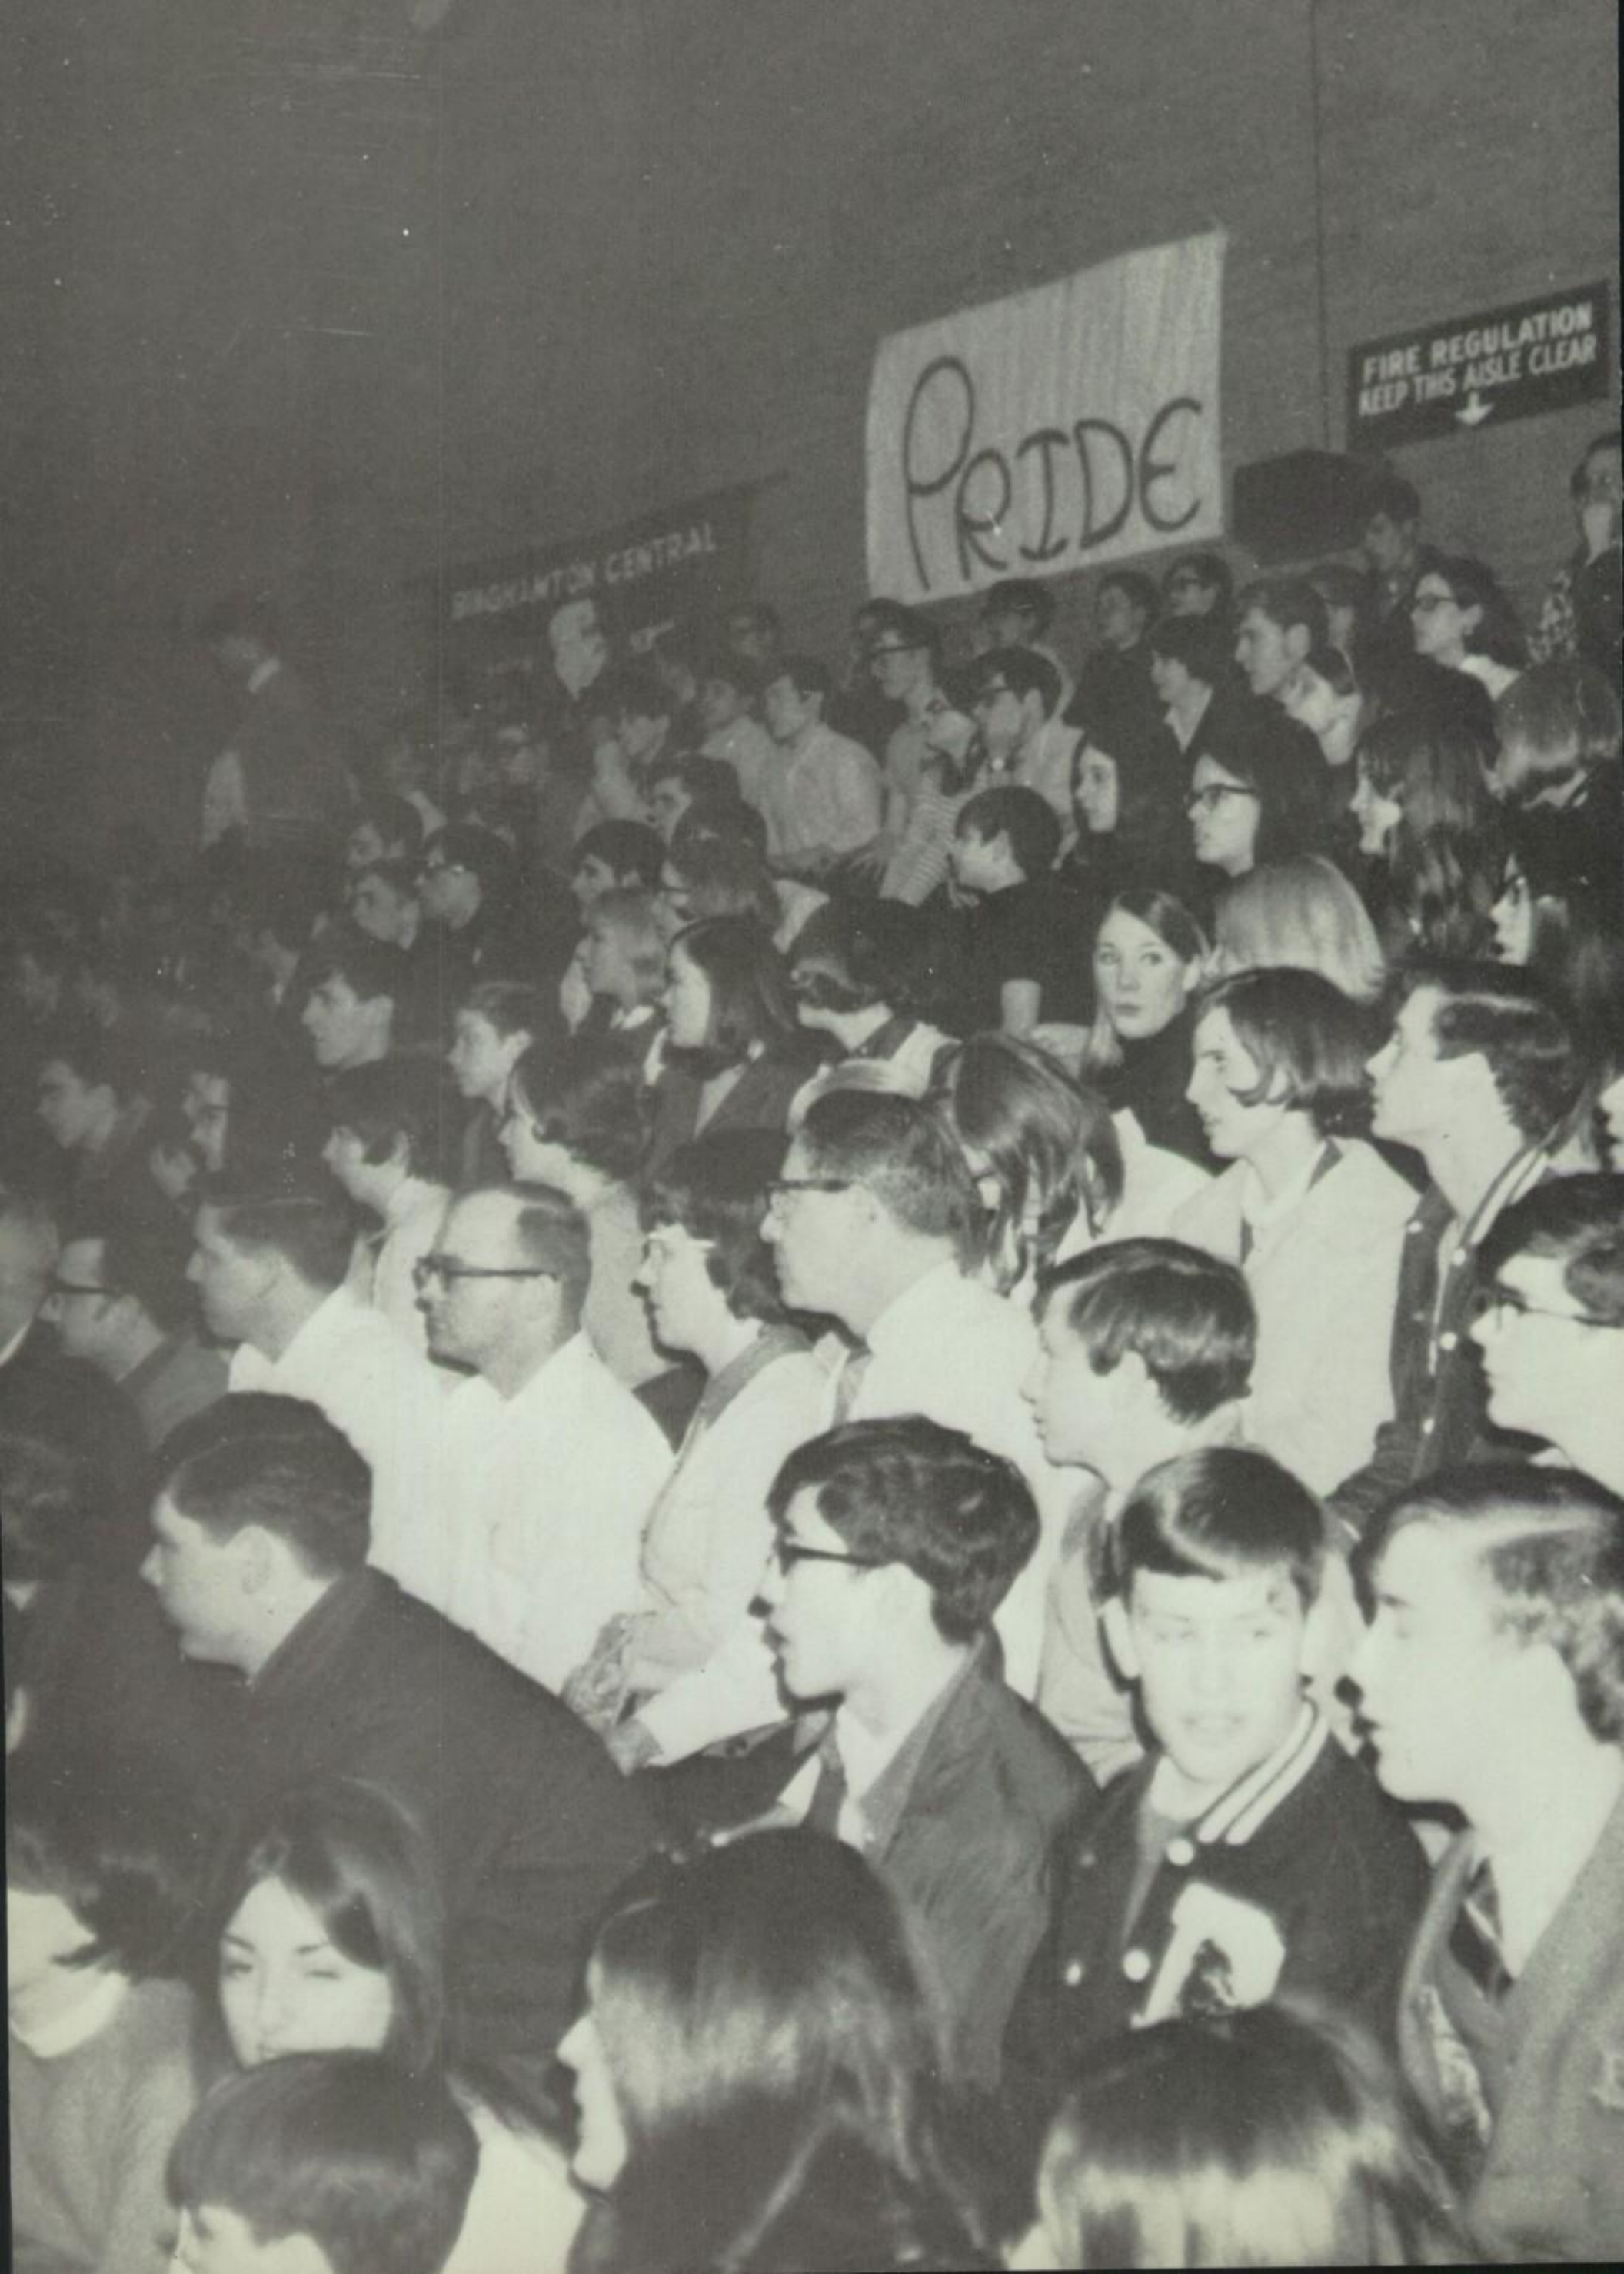

I will never forget this marvelous experience as an exchange student. I came from Sasebo, Japan, through the Rotary Club Exchange Program. For the past year I attended Central. Many things were different from high school in Japan. Girls wore mini skirts and had long hair. I attended football and basketball games, and cheered for B.C.H.S. I really enjoyed my life here. For this I want to say thank you to my very kind teachers and friends.

SENIORS

January Class Officers

The difference between harmony and confusion is the officers who run the organization. The January Senior Class Officers have proved to be capable of succeeding in their tasks by organizing the first winter senior class outing. The outing was held at Innsbruck, U.S.A., and everyone enjoyed himself. The year-book staff would like to congratulate the officers on doing a fine job, and knows the January Senior Class would like to thank Mr. Glasgow for advising them.

June Class Officers

Planning the activities for a senior class is a tedious job, especially when there are over 300 members in the class. These officers accepted this challenge and were determined to have the best for their class. The class voted not to have the prom jointly with North. Also, a class day and class outing were planned. Mr. Glasgow again guided the senior class in the organization and planning. We wish the whole class "good luck" and hope they have the most fun ever!

. . . the end . . . or the beginning?

YES . . . AND NO . . .

Graduation is the end of an era in your life.

It's also the beginning of a new era for you . . . a period when the responsibilities of adulthood suddenly appear.

"Bank standing" is something that will help you meet those responsibilities head-on. By doing business with a bank through use of checking, savings, loan or other facilities, you establish the financial reputation and maturity that today's successful person needs.

Throughout your life . . . the only bank you'll ever need is First-City.
